General Specifications

- Width: 54"
- Roll Size 30 yds
- Weight/ In yd 28 oz
- Face 100% PVC w/ Acrylic Topcoat
- Backing 100% Polyester
- Topcoat Stain Resistant Topcoat

Performance Specifications

- Abrasion Resistance 50,000 Double rubs
- UV Resistance 650 hrs. QUV
- Crocking Wet 5 Dry 5
- Cold Crack -10° F
- Anti-fungal Protection Passes
- Anti-Bacterial Protection Passes
- Mildew Resistant Passes
- Pink Stain (ASTM E-1428)* Passes
- Anti-Static (ASTM D-257) Passes

*Mfg will not warrant pink staining resulting from mildew growth on adjacent boat components.

Flammability Specifications

- CAL 117 E
- MVSS302
- NFPA 260 – Class 1

Care and Cleaning

- Prompt cleaning is always recommended. Most common stains can be cleaned using warm, soapy water, then rinsed with fresh water. For more difficult stains, wipe the affected area with a soft cloth or soft bristle brush using a non-abrasive cleaner, such as Formula 409 or Fantastik. Rinse the area with fresh water and wipe dry.
- For more difficult stains, dampen a soft white cloth with a solution of household bleach (10% bleach/ 90% water). Rub gently and rinse with a warm water dampened cloth to remove bleach concentration. **Do not use alcohol based cleaning agents!**
